Agricultural.

From the Germantown Telegraph.

Remedies for Animal Diseases. Mr. Editor :- If you think the following remedies for some of the prominent diseases to which our eattle are subject, are worthy a place in the Agricultural Department of the Telegraph, they are at your service. I profess to be no "veterial farmer somewhat advanced in life-

Slavers in Horses:- Let the animal feed on burdock leaves, and the salivation will be immediately arrested.

Scald Mouths in Sheep .- Apply tar 193 clear from foreign substances, and in its native state to the animals' months. It On Elizabeth street, one door below Wim. will soon remove the difficulty, and cause new skin to grow on the parts which were previously so sore as to render it difficult for the animal to secure sufficient nourishing the care of them not knowing what it is. When a sheep refuses to eat, the mouth should at once be inspected, and assertment of Boots and Shoes of the latest if sores are found, the remedy should at style and of a superior quality. once be applied.

littering, are frequently averse to all kinds linings, and binding skins. Prunello and of food, exhibiting, at the same time description, and a general assortment of symptoms of great debility and weakness. And and Also-Cotton & silk under shirts When this is the case, and the patient be- sirous of a commonne of the same, he will comes indolent and debilitated, slit the sell at the New-York and Easton prices. bars in the roof of the mouth, by draw- November 11, 1852. ises to be greater than is necessary, give are invited to call. tateous stoppage of the blood.

Henres .- To three quarts of sweet milk | confidence ; he offers a perfect core weeks, or till you effect a cure. This media most of his time and stuly cine has frequently proved effectual where devoted to the study and treatment of diseas

been tried by the unerring test of experi-invalids. Possessing great victues in the rec and pleasant.

Read and be Convinced.

From the Boston Bee. The editor said, Dec. 22nd-Dr Hoofland's celebrated German Bitters for the cure of Liver complaint, jaundice, dyspepsia, chronic or nervous debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor -- a fact worthy of great consideration. They are pleasant in taste and smell and can be used by persons with the mos? delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use 'Scott's Weekly,' one of the best Liter-

ary papers published, said, Aug. 25-'Dr. Hoofland's German Bitters, magufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness.
